Trial version

The free trial version of Stimulsoft Reports is a full-featured version and has no time limit for evaluation. The only restriction is the **Trial**watermark that is printed on every report page. The trial version can be used with or without a registered user account. Registration of the account is free.

User account registration

Registration of the account is absolutely free and can be performed in the following ways:

❯ In the report designer, in the **Login** window, select Create account for free. Then fill in the first name, last name, e-mail address, password. Please note that by registering a free account you accept and agree to the terms of the license agreement.

2 Technical Support

Registered users and users who are evaluating the software may get technical support.

For technical questions, use the Email address: support@stimulsoft.com
For licensing, subscription, payment questions, use Email address: sales@stimulsoft.com
For other questions, use Email address: info@stimulsoft.com
